**Upcoming Visit From Dr. Lucid:** Please join us for an informal gathering with our District's Superintendent, Dr. Lucid. This meeting will be held on Thursday, October 30 at 8:15am in our MPR. **Great California Shakeout:** This Thursday, October 16, Rosedell Elementary will participate in the Great California Shakeout. This emergency drill will help us prepare the staff and students in the event of an earthquake or other emergency. Rosedell has an Emergency Action Plan with specific procedures in place in the event of an emergency. Please do your part by checking and updating your information on our Parent Portal online emergency information system. Any adults that are authorized to pick up your child in the event of an emergency must be listed. In addition, please be sure your cell and work numbers are current. Thank you for your support in ensuring the safety of all students and staff.

**Character Counts:** For the months of October/November, Rosedell will focus on the Character Counts Pillar of **Respect**. Respect is following the Golden Rule and treating others the way you want to be treated. Respect is demonstrating tolerance, and acceptance, and being courteous and non-violent. Respect is being considerate of others in attitude, words, and actions and judging others by their character, not race, religion, or appearance. It is listening to others and being understanding of other points of view. Please continue to reinforce the importance of respect through your actions and words at home and in the community. Each teacher will choose a "Student of the Month" for the Pillar of Respect at the end of November.
