## *Did you know that students can still fall behind if they miss just a day or two days every few weeks?*

**Disaster Drill:** This Friday, April 13<sup>th</sup> we will be holding our Disaster Drill from 8:45 to 9:45am. The office will be closed during this time. If you are bringing in your student or need to sign your student out, we will be behind the gate in the back parking lot.

**Parent Survey:** Coming home today is our annual Parent Survey. This survey tells us how we are doing. Please take the time to complete and return it to our office. Your input is greatly appreciated! Thank you!

**Character Counts:** For the months of April/May, Rosedell will focus on the Character Counts Pillar of **Responsibility**. Responsibility is being accountable and pursuing excellence. Students demonstrating responsibility exercise self control and do what that should be doing at home, school, and in the community. Responsibility means accepting responsibility for the consequences of your choices. It is meeting your moral and legal obligations. Responsible students persevere to always do their best. Please continue to reinforce the importance of being responsible at home.

**CAASPP Testing:** Next Week, Rosedell will begin the CAASPP (California Assessment of Student Performance and Progress) Testing for all students in Grades 3 – 6. Each teacher has a set testing schedule for their class over the next few weeks. Please avoid any doctor/dental appointments during your child's testing time. It is also important that students are getting a good night sleep and eating a healthy breakfast each day. The students will be doing their CAASPP Testing online in the computer lab. For additional information regarding specific dates and times, please contact your child's teacher.

**Site Council Candidates Needed:** Site Council is part of the school improvement program at Rosedell School.
